

Avalon Actuarial Inc

CANADA

THE COMPANY

Avalon Actuarial is an independent actuarial consulting firm with offices in Montreal and Toronto. The firm is owned 100% by its senior employees.

The consulting practice is fundamentally knowledge based. At the present time, the total professional head count is 45, including 10 Fellow members of the Canadian Institute of Actuaries and several other highly trained actuarial graduates.

Avalon Actuarial's high recruiting standards have resulted in the development of an outstanding benefit practice; clients include several of the most reputable corporations and public organisations in Canada. The firm's substantial growth in its client list is a direct result of a commitment to stay ahead of the competition in the development of innovative, cost effective solutions to emerging needs.

SERVICES

Avalon Actuarial provides actuarial and benefit consulting services to employers and financial institutions on a local and national basis. Expert advice is given to clients on group insurance, retirement savings plans, asset management, specialized insurance plans and business risk management. Most clients are corporations, either Canadian or Canadian subsidiaries of international organizations. In addition, Avalon services a number of government agencies and non-profit organizations.

Compensation consulting services and individual financial services are also offered to clients through strategic alliances with local providers.
