

Pan Resources Pte Ltd

SINGAPORE

THE COMPANY

Pan Resources was started in 1993 to provide a one-stop professional insurance service centre to meet all the insurance needs of individual and corporate clients. Since 1999 the company has specialised in employee-related group insurance plans, although it also handles other insurances on request.

Pan Resources was involved in developing a group insurance fact find form for the regulating authority and the insurance industry, and is represented on the committee of the Life & Health Sub-Committee of the Singapore Insurance Brokers' Association. (SIBA).

SERVICES

The services provided include:

- advice on, sourcing and placement of group insurances;
- full administration of insurances;
- flexible benefit consultancy and third-party administration of flexible and non-insured benefits via a related company - PanFlex Pte Ltd;
- 24-hour helpline;
- personal and commercial insurances.
